

NORTH CADBURY AND YARLINGTON PARISH COUNCIL

POSTPONEMENT OF DRAINAGE WORKS IN CUTTY LANE

South Somerset District Council have had to temporarily postpone the drainage works in Cutty Lane, which had been scheduled to start on 1st February 2010, due to unforeseen circumstances with an ongoing drainage scheme in Sparkford.

They have rescheduled Cutty Lane for the end of March but this may creep into the new financial year depending on the final costings of the Sparkford scheme.
