Join in the willow weaving with Lydia and Ginny's creative arts session. Marvel at Louis' storytelling and learn how to mimic the animal kingdom. Try your hand at Street Art and fine tune your ballroom dancing with professional instruction – fun for all ages.

- **Music workshops**

A reduced version of **The Marriage of Figaro**. We are extremely fortunate that the accomplished director **Karen Gillingham** creative director for Garsington Opera House has returned to us this year – an unmissable opportunity to learn from the best. Whatever your ability join us and be part of it... Learn the ukelele with Tim (ukuleles available or bring your own), drum the day away with African drumming from Drum West ...

- **Art Exhibition**

An exciting display of original art work from established and well known local artists. Most work will be available for purchase.

BY NIGHT:

- **Friday:**

Kangaroo Moon starting with a barn dance and move seamlessly on to dance and trance.

- **Saturday:**

Dance the night away first with local band BA22s closely followed by The Fantasy Orchestra from Bristol bringing together musicians, professional and amateur, to create a kaleidoscopic symphonic brigade. 'Unbridled joy & happiness..... Music played for all the right reasons, bringing smiles to both themselves & their audience.'

- **Sunday:**

Opera: Be sure not to miss the performance of The Marriage of Figaro in Yarlington Church...as many performances as needed to accommodate all.

NIGHT AND DAY:

- **Chapel Cross Tearoom on tour**

Enjoy the taste of the tearoom for breakfast, lunch and supper...anyone who frequents Chapel Cross knows the quality ...
