

## Rights of Way Report September 2025

WN19/105 (Ridgeway Lane)

Eve Wynn organised a badger survey in-house, with the Highways contractor, Kier Construction. I have chased her for an update.

WN19/57a Stile

Still in progress.

The post indicating path WN 19/45 (track side) has been knocked over. EE have confirmed that this will be reinstated.

EE have confirmed that they have been carrying out estate-wide hedge and wider cutbacks this month. If any areas are raised as a concern, they will make sure that it is addressed.

Please can all members of the parish continue to report any issues via the Explore Somerset website - <https://roam.somerset.gov.uk/roam/map#>

Nick Garrett, September 2025
