The Parish Council (PC) Planning Process

The PC is a consultee in the planning process and submits its **recommendations** to SSDC after holding public on-site planning meetings. PC planning meetings are held on the second Tuesday of each month in which an application is received, commencing at 2.00pm and at which residents are invited to attend.

The Clerk will publish a notice of the meeting, which must be held in public, on the notice board of the parish in which the meeting will be held and on the parish website, giving three clear days excluding Sundays and Bank Holidays. Applicants, Agents and the public may address the PC at the Meeting as directed by the Chairman and their deliberations are in public.

If the Planning Officer disagrees with the decision of the PC, the District Councillors are invited to give their views and “normally” recommend that the Application goes forward to the Area East Committee which is held monthly at Churchfields, Wincanton. Applicants and objectors can address the Committee at this Meeting.

If residents have any comments and are unable to attend the planning meetings, they can email SSDC at Planning@SouthSomerset.Gov.Uk and/or the Clerk on parishclerk@northcadbury.org.uk. The Clerk can then circulate any comments to all councillors prior to the planning meeting.
