Circular walks project

Display boards have been delivered. Sitings for 2 boards have been provisionally agreed with Councillor Montgomery. One outside North Cadbury Village Shop, the second on Montgomery land alongside ROW WN 19/85. Photograph of display boards and provisional plan of sitings sent to councillors.

Site suggested at Galhampton Village Hall. Village Hall Committee to agree. PPLO and Sue Seager in discussion re. siting of board on Emily Estate land at Yarlington. PPLO trying to contact owners of Stag's Head to explore possibility of siting board outside the pub.

Routes for 8 circular walks have been finalised. Printing of large maps and individual maps to be arranged in due course.

Tim Gilbert has fixed small wooden plaques denoting the number of the footpath to many of the posts to help people to negotiate the walks.
